## OUR MISSION

Champlain Valley Educational Services is committed to being a valued and trusted partner by supporting students, schools, and communities to excel through high-quality education, training, and shared services.

## OUR VISION

We aspire to be the premier provider of dynamic and innovative educational programs and shared services, serving as a catalyst for personal and regional growth and development towards a brighter global future.

## OUR CORE BELIEFS

- Students are our first priority.
- Staff are essential to the health and well-being of our organization.
- We value open and honest communication.
- We embrace collaboration and shared decision-making.
- We promote creativity and innovation.
- ALL students can learn and be successful.
- We lead and act with integrity, fostering respect for all by ensuring the acceptance, inclusion, and celebration of our community members.
- Students, family and community are valued partners for success.
- We ensure a safe, supportive learning and work environment.
- We all impact the educational process and are dedicated to perform at the highest possible levels.

### CONTINUOUS NOTICE OF NONDISCRIMINATION Career and Technical Education Programs

Clinton Essex Warren Washington BOCES, a/k/a Champlain Valley Educational Services (CVES BOCES), does not discriminate on the basis of race, color, national origin, sex, disability, age, or any other legally protected status in its programs, services, activities, employment, or admissions, and provides equal access to the Boy Scouts and other designated youth groups. <https://www.cves.org/cv-tec/cv-tec-career-programs/>.

The district will take steps to assure that the lack of English language skills will not be a barrier to admission to or participation in career and technical education (CTE) programs. To request translation services or reasonable accommodations, contact the Civil Rights and Title IX Compliance Officers listed below.

Inquires may be directed to the compliance officers designated to coordinate compliance under Title IX and Section 504.

# WELCOME TO CV-TEC

Dear Prospective Student:

As the Director of Career & Technical Education, I am proud to welcome you to CV-TEC. The CV-TEC Division of Champlain Valley Educational Services (CVES) offers a wide range of Career & Technical Education (CTE) Programming, Adult Literacy Programming, and Continuing Education Programming for our school districts and community members of Clinton and Essex Counties. CV-TEC has a rich history in the North Country and we are proud and committed to continuing the tradition of excellence on all of our CV-TEC campuses and locations.

Michele M. Friedman  
Executive Director of Career  
& Technical Education

Team CV-TEC is dedicated to a collaborative approach for excellence in Career & Technical Education. It is the CVES mission that “CVES empowers students, schools and communities by providing exemplary education, training, support and shared services,” and the mission of the CV-TEC Division “to prepare students for success in careers and life-long learning including post-secondary education.”

Team CV-TEC is dedicated to our mission and committed to continuing and intensifying the long standing tradition of excellence at CV-TEC. With our mission in mind, each student’s individual needs is what will drive and direct our educational programming and fuel our desire to continually improve our efforts to serve our students, component districts, business & industry partners and our surrounding community.

I would like to personally extend an invitation to meet with you in person, arrange for you to tour our facilities, and to discuss the opportunities available to our community here at CV-TEC.

*Michele M. Friedman*

Executive Director of Career & Technical Education  
CV-TEC Division of Champlain Valley Educational Services

# ADULT EDUCATION COURSES

Continuing Education Courses for Post-Secondary Adult Students

## CVES Learning Hub

### Chainsaw Basics

ECON 102

Chainsaw Basics is a hands-on introductory course designed to give participants the essential skills and confidence needed to safely and effectively operate a chainsaw. This class covers fundamental topics including proper starting techniques, safe handling and operation, as well as essential cutting skills such as bucking and limbing. Participants will also learn basic sharpening methods to keep the saw chain in good condition and perform simple maintenance tasks to ensure reliable performance. The course may also include an introduction to basic tree felling techniques, emphasizing safety and proper planning. Perfect for beginners or anyone looking to refresh their skills, this course lays a solid foundation for safe and efficient chainsaw use.

**Requirements:** Work boots, Work pants / jeans, Chainsaw (Recommended, not required)

## Introduction to Audio Engineering and Music Production

AEMP 100

CV-TEC's Introduction to Audio Engineering and Music Production is a 24-hour course designed to introduce students to the audio engineering and music production fields. Students will learn basic recording, editing, mixing, and mastering using a digital audio workstation. By the end of the course, students will have created an original track. This is a great experience for those who are trying to determine if they would like to further pursue this as a career. Students can then transfer into the Adirondack School of Recording Arts. (24 course hours)

| Instructor        | Dates                                                                                                                | Cost          |

## Maple Syrup Production

ECON 103

Discover the sweet science of maple syrup production in this hands-on introductory course designed for adults and their children. Together, families will learn to identify maple trees, master the art of tree tapping, and gather sap straight from the source. Participants will experience the full process of transforming sap into syrup through boiling, filtering for purity, and canning the finished product to enjoy at home. Perfect for beginners and nature-loving families, this course offers a unique opportunity to connect with each other and the land while creating delicious, homemade maple syrup. All participating families will leave with freshly-bottled CV-TEC maple syrup.

| Instructor        | Dates                                   | Cost                     |
|-------------------|-----------------------------------------|--------------------------|
| Warren            | <b>SPRING 2027:</b> 3/2/2027 - 3/4/2027 | \$40/Adult<br>\$15/Child |
| Location          | Time                                    | Class Size               |
| CVES Learning Hub | T/Th 5:00p - 7:00p<br>4 Hours           | 8 Person Min.            |

**Spring 2026 Application Deadline: 1/18/2027**

## Modern Workplace Skills

MWS 100

This comprehensive five-week course equips adult learners with advanced skills in Microsoft Office 365, soft skills in office leadership and collaboration, presentation skills using Microsoft's Presentation Coach, content creation that engages audiences, and an understanding of how these skills prepare individuals for the demands of the modern workforce. This course will also provide ways to support the increasingly diverse workforce and explore digital accessibility tools. (30 course hours)

**Credentials Earned:** Microsoft certificates; CV-TEC Certificate of Completion Credential

**Recommended materials:** Laptop computer

**Not Available for the 2026-2027 School Year**

## Grow Together: Gardening and Planting

ECON 101

This hands-on, beginner-friendly course invites adults and their children to bond and learn together through the joys of gardening. Families will be introduced to the essentials of sustainable gardening, including composting, planting seeds or seedlings, and basic preservation techniques. Participants will develop practical skills to grow their own food and care for the environment while creating lasting memories through shared nature-based activities.

| Instructor        | Dates                                     | Cost                     |

| Location          | Time                                      | Class Size               |
| CVES Learning Hub | T/Th 5:30p - 7:00p<br>3 Hours             | 8 Person Min.            |

**Spring 2026 Application Deadline: 1/18/2027**

## Pet CPR

PCPR 100

Participants will learn the fundamentals of canine and feline CPR and First Aid. It is ideal for anyone who loves animals including animal professionals, obedience trainers, kennel staff, pet retailers, pet sitters, animal shelter staff/volunteers, rescue personnel, groomers, First Responders, Fire/EMT and pet owners. This course will provide an overview of what to do for a pet in an emergency situation prior to getting veterinary care. Curriculum for all classes is developed by licensed veterinary professionals using veterinary industry standard methods of emergency medical care.

**Credentials Earned:** Pet Emergency Academy PetCPR+ Certification; CV-TEC Certificate of Completion Credential

**Not Available for the 2026-2027 School Year**

## Introduction to Carpentry

CT 101

Our Introduction to Carpentry course is designed as an accessible, hands-on introduction for individuals with little or no carpentry experience. Participants will learn the basics of carpentry, including measuring and marking, safe use of hand and power tools, and simple cutting and assembly techniques. Students will also explore essential safety practices and gain an understanding of basic construction concepts. To put their new skills into practice, each participant will build a custom cutting board. Perfect for anyone curious about carpentry or looking to build practical skills for personal or future professional use, this course offers a supportive environment to build confidence and create something to be proud of. Families are encouraged to participate together.

| Instructor        | Date                                                                                 | Cost          |

## Basic Vehicle Maintenance

AUTO 101

The 12-hour Basic Vehicle Maintenance course provides hands-on training for vehicle owners and enthusiasts. Covering essential topics such as oil changes, tire rotation, brake inspection, battery maintenance, and fluid checks, this course empowers participants with practical skills to keep their vehicles running smoothly. Expert instructors guide students through step-by-step procedures, emphasizing safety and efficiency. Ideal for beginners, the course ensures participants gain confidence in performing routine maintenance tasks, potentially saving on repair costs and extending vehicle longevity. No prior experience is necessary; just bring your vehicle and a willingness to learn. (12 course hours)

| Instructor        | Dates                                                                                | Cost          |

### SPONSORSHIP & FINANCIAL AID

Through various programs in the North Country, including CV-TEC and CV-TEC's Job Skills program, sponsorship and financial aid opportunities exist for programs such as CDL Class A. Ask about these opportunities and how you qualify!

## Commercial Driver's License (CDL) Class B

CDL-B 200A

\* **Note:** Additional Instruction available at an hourly rate if needed.

CV-TEC's Class B CDL Program is a 30-hour course leading to a commercial driver's license that allows holders to drive certain types of commercial vehicles. The course is designed for individuals with limited or no experience driving a Class B commercial vehicle. Commercial vehicles that can be operated with a Class B driver's license include, but are not limited to, straight trucks, dump trucks, cement trucks, refuse trucks, delivery trucks, tow trucks, household and commercial moving trucks, grocery delivery trucks, box vans, or large buses. Having a Class B license permits you to drive a gross vehicle weight of 26,001 pounds or more. This gross weight limit includes any combination of vehicles and cargo. Completion of the CDL Class B program leads to eligibility for Department of Motor Vehicle testing and licensure.

Pre-Employment Drug Testing Fee: \$93  
Road tests available on-site

### Requirements:

1. Class B Driver's Permit (DMV); Recent Physical Examination (DOT)
2. Previous Experience Driving a Standard Shift Vehicle
3. 18 Years of age or older

| Instructor        | Dates                | Cost       | * <b>Note:</b> The course duration is at most six months from the start date. |
|-------------------|----------------------|------------|-------------------------------------------------------------------------------|
| Staff             | Flexible             | \$2,675    |                                                                               |
| Location          | Time                 | Class Size |                                                                               |
| CVES Learning Hub | Flexible<br>30 Hours | 1/Session  |                                                                               |

## COMMERCIAL DRIVER LICENSE UPGRADE

### CDL 300A

\* **Note:** Additional Instruction available at an hourly rate if needed.

\* **Note:** The course duration is at most six months from the start date.

The Tractor Trailer Driver Training Program is a 30-hour, experiential course for those who already possess a Class B CDL and want to earn their Class A CDL or already have a Class A CDL with an automatic restriction. Instruction is offered on a variety of topics such as: Introduction to the Tractor Trailer, Vehicle Control Systems, Inspections, Basic Control, Proficiency Development, Safe Operating Procedures, Advanced Operating Procedures and Street Driving. Completion of the CDL Upgrade course leads to eligibility for Department of Motor Vehicle testing and licensure.

Pre-Employment Drug Testing Fee: \$93

Road tests available on-site

#### Requirements:

1. Class B CDL or Class A CDL with automatic transmission restriction (DMV); Class A Driver's Permit (DMV); Recent Physical Examination (DOT)
2. 21 years of age or older
3. \*18-20 year olds require additional documentation for licensure.

| Instructor        | Dates                | Cost       |
|-------------------|----------------------|------------|
| Staff             | Flexible             | \$2,675    |

### SPONSORSHIP & FINANCIAL AID

Through various programs in the North Country, including CV-TEC and CV-TEC's Job Skills program, sponsorship and financial aid opportunities exist for programs such as CDL Class A. Ask about these opportunities and how you qualify!

## CVES Mineville Campus

### Open Carpentry Shop OPCS 100B

Did you ever want to create your own wooden project, but did not have the space or the tools? Come to CV-TEC's open wood shop to work on your dream project or to work with our expert instructors and build one of our stock projects. Our expert staff will be on hand to help build confidence in power tool use to teach wood working skills and provide wood working assistance. (12 hr. course).

After students complete an online safety course and a skills assessment, they will have access to the shop and tools to complete any instructor-approved projects.

| Instructor        | Dates                                                                                | Cost          |

# OneWorkSource Campus

Get Free Career Training and Job Support with CV-TEC and OneWorkSource

**194 US Oval**  
**Plattsburgh, New York 12903**  
**(518) 561-0430 x3088**

CV-TEC, in partnership with OneWorkSource Centers, offers free training opportunities for eligible adults to help you start or advance your career. Funded through the Workforce Investment Act, these programs are designed to provide both education and direct pathways to employment.

## What's Available:

- HSE/GED Classes and Home Study Programs
- Job Skills Training (CDL, CNA, Welding, and more)
- Other Exploratory Courses for Adults!

## More Than Just Training:

After you complete your course, we'll help you with job placement—and if you need tools or uniforms to get started, we can help with that too!

## What is OneWorkSource?

OneWorkSource Centers bring employment and training services together in one convenient place. They help job seekers explore career options, understand employment trends, search for jobs, write résumés, practice interviews, and connect with training programs. These services are available to all, including individuals with disabilities, and also support employers with staffing and training needs.

## How to Get Started:

Call (518) 561-0430 ext. 3088 to find out if you qualify for free training.

Services are delivered by a network of schools, community organizations, and government agencies—all working together to help build a stronger, more skilled workforce.

## SPONSORSHIP & FINANCIAL AID

Through various programs in the North Country, including CV-TEC and CV-TEC's Job Skills program, sponsorship and financial aid opportunities exist for programs such as CDL Class A. Ask about these opportunities and how you qualify!

# REGISTRATION

How to register for a course & application

## Registration Options

### Mail-In Registration:

Simply complete a *CV-TEC Adult Education Application* (page 15) and mail/fax it to our office with your payment! Make checks payable to: *"BOCES Treasurer."*

**Mailing Address:**

CV-TEC Learning Hub  
1445 Military Turnpike  
Plattsburgh, NY 12901

**Fax Number:**

(518) 561-0494

**Phone Number**

(518) 561-0100

### Online Registration:

Register online at <https://forms.office.com/r/L9Ckwuz81M> or using the QR code. Tuition payments can be collected over the phone or in-person.

### Phone-In Registration:

Call 561-0100 and request to have your name included on our course roster. Credit Card information can be accepted over the phone.

### Walk-In Registration:

Visit us at our CVES Learning Hub or at our CVES Mineville Campus! Please complete the and submit a printed application. Credit Card payments are accepted only at the CVES Plattsburgh Campus.

**CVES Learning Hub**

1445 Military Turnpike  
Plattsburgh, NY 12901

**CVES Mineville Campus**

3092 Plank Road  
Mineville, NY 12956

### Corporate Registration:

Funding is available to employees who qualify for corporate sponsorship from their employer. Classes may be readily arranged between corporate sponsors and CV-TEC. Invoicing can be arranged for corporately-sponsored adults. Contact Mark Brown at (518) 561-0100 for more information.

### Agency Registration:

Various regional state and county agencies such as OneWorkSource, ACCES-VR, and JCEO often sponsor adult education students in our adult education courses. Check with your local organizations for eligibility.

### Online Registration for Online Courses:

It is now possible to take advantage of CV-TEC's new e-commerce payment process for its online courses (page 17). Simply visit <https://www.ed2go.com/cvtec/> and provide the requested information when registering for an online class. Begin your coursework almost immediately! (Those wishing to pay for online courses via check/money order/purchase order or credit card may do so in person according to the directions listed above).

### CONTINUOUS NOTICE OF NONDISCRIMINATION

#### Career and Technical Education Programs

Clinton Essex Warren Washington BOCES, a/k/a Champlain Valley Educational Services (CVES BOCES), does not discriminate on the basis of race, color, national origin, sex, disability, age, or any other legally protected status in its programs, services, activities, employment, or admissions, and provides equal access to the Boy Scouts and other designated youth groups. <https://www.cves.org/cv-tec/cv-tec-career-programs/>.

The district will take steps to assure that the lack of English language skills will not be a barrier to admission to or participation in career and technical education (CTE) programs. To request translation services or reasonable accommodations, contact the Civil Rights and Title IX Compliance Officers listed below.

Inquiries may be directed to the compliance officers designated to coordinate compliance under Title IX and Section 504.
